

Agenda - Morning						
	Monday	Tuesday	Wednesday	Thursday	Friday	
9:00-10:15		Prof. H.-J. Rheinberger (Max-Planck Institute for the History of Science): <i>How the Sciences Transgress Boundaries</i>	Prof. S. Fuller (University of Warwick): <i>How Science Has Changed the Structure of Politics: Prolegomena to Any Future Ideologies</i>	Prof. H.-P. Schütt (Institute of Philosophy, Karlsruhe Institute of Technology, KIT): <i>Ignorance Ignored</i>	Prof. J. Navarro (Ikerbasque - Basque Foundation for Science, and UPV/EHU): <i>Boundaries in the Physical Sciences</i>	
10:15-10:30		Coffee Break				
10:30-11:45		Carolin Schmidt (University of Basel): <i>Reproducibility and Innovation as a "Regulative Dual" at Contested Boundaries of Science – The Case of Complementary Medicine in Switzerland</i>	Nuno Boavida (Nova University of Lisbon, and ITAS-Karlsruhe Institute of Technology): <i>The Use of Indicators in Technology Decisions by the Innovation Community</i>	Judith Igelsböck (University of Vienna): <i>Designing Integration Machines – Performing Epistemic Dis-/Unities</i>	Genco Guralp (Johns Hopkins University): <i>Cosmology and the End of Weberian Science</i>	
11:45-12:00		Coffee Break				
12:00-13:15		Kathrin Friedrich (Academy of Media Arts Cologne): <i>'Realms of Possibility': Software Applications between Algorithmic Determination, Operative Transgression and Disciplinary Negotiations</i>	Pedro Sáez Williams (University of Warwick): <i>Social Epistemology and Embodied Cognition</i>	Farah Purwaningrum (University of Bonn): <i>Shifting Practices of Academia as an Entrepreneurial Organisation: The Case of ATMI Polytechnic Cikarang, Indonesia</i>	Wendy Cano (University of the Basque Country, UPV/EHU): <i>Mexican Varieties of Maize: The Result of Emotional Knowledge Production</i>	
13:15-13:30						Closing Ceremony
Agenda - Afternoon						
15:00-15:30	Registration					
15:30-16:00	Opening Session - Prof. Cristina Uriarte Toledo (Vice-Rector of the Gipuzkoa Campus UPV/EHU) - Prof. Andoni Ibarra (University of the Basque Country, UPV/EHU) - Bettina-Johanna Krings (ITAS-Karlsruhe Institute of Technology)	Summarizing and Discussion on Morning Topics Dr. Fabrice Pataut (IHPST-University of Paris)	Summarizing and Discussion on Morning Topics: Dr. Judith Simon (ITAS-Karlsruhe Institute of Technology, and University of Vienna)	Summarizing and Discussion on Morning Topics: Dr. Hannot Rodríguez (ITAS-Karlsruhe Institute of Technology, and Sánchez-Mazas Chair UPV/EHU)		
16:00-16:30		Coffee Break				
16:30-17:00	Coffee Break	Working Groups Group 1: Knowledge, Relativism, and Normativity (Moderator: F. Pataut) Group 2: Integrating Empirical and Theoretical Research (Moderator: A. Ferrari)	Walking-Tour (Donostia-San Sebastián)	Working Groups Group 1: Demarcation of Knowledge in Post-Positivist Approaches to Science (Moderator: J. Simon) Group 2: Academic and Societal Relevance of Research (Moderator: H. Rodríguez)		
17:00-18:00	Poster Session					
18:00-19:00						
Evening (exact time will be provided)			Invited Dinner
