

### Programme:

#### Day 1 – November 20<sup>th</sup>

- 8:30 Arrival, registration and coffee
- 9:00 **Welcome: the PRISMA project and aims of the Stakeholder Dialogue**
- 9:30 **Nanomedicine as the possible “universal problem solution”: which role for RRI?**  
**Erik Reimhult** - Professor of Nanobiotechnology and head of the Department of Nanobiotechnology at the University of Natural Resources and Life Sciences in Vienna  
**Klaus-Michael Weltring** - Member of the Executive Board of the ETP Nanomedicine leading the ELSA Advisory Group  
**Todd Kuiken** - Senior Research Scholar at the Genetic Engineering & Society Center at North Carolina State University
- 10:45 Coffee break
- 11:00 **Workshop**  
**Safe-by-design: (ir)relevance for nanotechnology and biotechnology**
- 13:00 Lunch break
- 14:00 **Setting RRI into CSR policies: learning from experience**  
**Michael Liss** - R&D Manager at GeneArt /ThermoFisher Scientific  
**Tom Domen** - Responsible for the long-term innovation and sustainability at Ecover  
**David Carlander** - Director General of the Nano Industries Association  
**Stephan Herrera** - VP, Strategy & Public Affairs at Evolva  
**Hilary Sutcliffe** - Director of SocietyInside
- 15:30 Coffee break
- 16:00 **RRI in practice: examples from academia**  
**Erich Griessler** - Researcher at the Institute for Advanced Studies in Vienna (MoRRI Project)  
**Dora Fazekas** - Consultant at Sociedade Portuguesa de Inovação in Portugal a (Nano2All Project)  
**Julia Hahn** - Researcher at the Institute for Technology Assessment and System Analysis (Responsible-Industry Project)
- 17:00 **Closing remarks**
- 19:00 **Continued discussion over dinner**  
 (at Clärchens Ballhaus)

#### Day 2 – November 21<sup>st</sup>

- 8:30 Arrival, registration and coffee
- 9:00 **Summary of the previous day**  
**PRISMA project achievements**
- 9:30 **Engaging stakeholders in research and innovation activities**  
**Carolina Kranz** - Senior Manager Innovation & Technology Policy at BASF SE  
**Claudia Schwarz-Plaschg** - Researcher at the Research Platform Nano-Norms-Nature, Institute of Philosophy, University of Vienna
- 10:30 Coffee break
- 10:45 **Woman and work: the Industry gender gap**  
**Aleksandra Drecun** – President of Intersection - Center for Science and Innovation  
**Martina Schraudner** - Head of Fraunhofer Center for Responsible Research and Innovation
- 11:45 **Opening up to research: learning from open access**  
**Wen Hwa Lee** - Director of the Disease Foundations Network at the Structural Genomics Consortium, University of Oxford  
**Gernot J. Abel** - Science Manager and Innovator at Novozymes
- 12:45 Lunch break
- 14:00 **Keynote with discussion**  
**Philippe Galiay** - Head of Sector “Responsible Research and Innovation in H2020 and ERA; DG Research & Innovation, European Commission
- 15:00 **Final plenary discussion: setting the agenda of RRI in Industry**  
 Chaired and introduced with an enlightening talk by **Dirk Stemerding** - Independent researcher Biotechnology & Society
- 15:45 **Closing remarks: the future lies ahead**
- 16:00 **Farewell**
